**CCJP CERTIFICATION REQUIREMENTS**

The following is information pertaining to the **Certified Criminal Justice Addictions Professional (CCJP)** credential. Please pay particular attention to the attached **CCJP WAIVER TABLES** and the **CONTINUING EDUCATION CREDIT GUIDELINES**.

Once an applicant can meet all of the requirements, application for CCJP Certification can be made. Applicants may download the CCJP Certification Application, the CCJP Clinical Supervisor Evaluation Form, and the corresponding CCJP Certification Application Instructions. Approved CCJP applicants must take and pass the IC&RC International Criminal Justice Addictions Professional Exam.

**The supervisor(s) who will be completing the Work Verification Form(s) must be made aware that they must mail the form(s) directly back to MBSACC.** Any verification form that is submitted to us by the applicant with the application will render the application void. The verification form(s) must be returned to us directly by the supervisor.

**TESTING:**

All applicants for CCJP Certification must take and pass the IC&RC International Examination for Criminal Justice Addictions Professional (CCJP). Testing will be computer-based.

Once an application is reviewed and approved, the applicant will be sent a Certification Test Reservation Form, which must be completed and returned to the Certification Office along with the test fee (\$300.00). The information supplied on the reservation form by the applicant will be provided to the testing company (SMT). The testing company will notify the applicant **via email** of the instructions for taking the computer-based test along with information on the locations of testing centers. The applicant will have six months from notification by the testing company in which to schedule and take the exam at a testing center. Failure to appear at the scheduled testing will result in the forfeiture of the test fee. The testing company will provide additional information on cancellation policies.

Test results will be provided to the applicant via email by the testing company. If an applicant fails the exam, s/he will have to wait for a period of 90 days before re-scheduling an exam.

**IMPORTANT: DO NOT** send anything to the letterhead address by a delivery service such as UPS or FedEx, etc. to meet a deadline date, or for any other reason. Delivery services such as these cannot deliver to a post office box at a postal station. This will only cause a delay in the receipt of your submittal. Just mail via the post office, and make certain that your submittal is **postmarked** by any deadline date that you must meet.

**MBSACC will not be responsible for any information regarding certification that you obtain outside this office. If you have any questions, please call the Certification Office at (508) 842-8707.**

## **CONTINUING EDUCATION CREDIT GUIDELINES**

The alcohol/drug specific education and the ethics training must have been completed within the past ten (10) years. For trainings and non-credit courses in the categories of counseling techniques and behavioral sciences, the applicant may go back as much as twenty (20) years. For academic (credit-bearing) courses in counseling techniques and behavioral sciences there is no time limit provided a grade of C (or higher) was received.

In addition to transcripts, the applicant may be asked to provide an official course description for all academic courses which are being submitted for consideration. Transcripts must be official; transcripts downloaded from the internet will not be accepted.

For initial Certification, MBSACC limits **Distance Learning** (i.e., online courses/trainings or correspondence/home-study courses, etc.) to no more than 30% of the total number of education hours required. Distance Learning accrued prior to January 1, 2017 is not admissible. MBSAACC does not accept academic credit or CEUs which are awarded for:

- 1) "prior learning experience,"
- 2) courses certified by use of a challenge examination,
- 3) courses that were audited, or
- 4) courses of independent study research

Academic courses must be alcohol/drug specific or counseling techniques specific to the category requirements as delineated in the certification criteria. No partial credit is given. Also, no credit is given for term and/or research papers.

MBSACC allows 15 hours per academic credit (that is, 45 hours per 3-credit course) for academic courses specific to the certification education requirements. For graded courses, a grade of C (or higher) must be received in order to be admissible for Certification.

Documentation for workshops, conferences, etc. must be provided or the training will not be considered. The participant's name must be officially recorded on the certificate by the sponsoring agency. The participant may **not** affix his/her own name to any certificate, either by hand or by typing. Only an authorized agent of the sponsor of the training may fill in the participant's name by hand, and then only by printing his/her own name (initials will not suffice) **and** the date in parentheses after the participant's name. The offering title, specific dates attended, the location of the training, and the number of approved training hours must appear on the certificate as well. Brochures, registration forms, canceled checks, sign-in sheets, etc. do **not** constitute proper documentation.

For programs that have not received official MBSACC approval, the following information must be provided:

- \* training description
- \* name and credentials of instructor(s)
- \* location of training
- \* sponsor(s) of training
- \* program agenda, complete with beginning and ending times for each training segment

Continuing education hours exclude non-program time such as registration, coffee breaks, meals, etc. The minimum acceptable unit of credit for any single training experience is one clock hour (i.e., one clock hour = 60 minutes). Please be advised that MBSACC is under no obligation to accept training hours approved by other organizations.

Continuing education credit is not admissible in the following situations: where the applicant has provided the training and/or teaching; in-service or on-the-job training; hours accrued by taking exam preparation workshops or trainings. There may be other items that are not admissible which are not specifically listed here. If you have a specific instance which is not addressed in these guidelines, do not assume its acceptability. You should contact the Certification Office at the letterhead phone number to see if it is admissible.

5. All applicants must sign an Authorization and Release Form.
